## ACCREDITATION:

Occidental College is accredited by the Western Association of Schools and Colleges Senior College and University Commission.

## ACADEMIC CALENDAR:

The College operates on a semester system. The academic year consists of a fall semester and a spring semester and a limited summer session with a small number of courses offered. Students may also receive credit for independent study and internship work during the summer.

**Prior to August 1994** there were three eleven-week terms with each term equivalent to a semester.

## COURSE LEVEL:

Current:

1-85	first-year Cultural Studies Program (CSP)
86-299	lower division
300-499	upper division
500-599	graduate

First-year CSP courses are small seminars, each designed by a faculty member around a topic in their field of expertise, emphasizing discussion, critical analysis, and intensive instruction in writing.

**Prior to August 1994** (the first three digits represent the course number; the fourth digit represents the section number):

1-49	basic or introductory level
50-99	intermediate level
100-199	advanced level
200-399	graduate level

## SCHOLARSHIP REQUIREMENTS:
